We encourage our members to remain engaged and support the ACMAO Board **during** this critical time for our homeland and our brothers and sisters in Armenia and Artsakh. ACMAO will continue collaborating with the Armenian Medical International Committee, as well as the Armenian United Council of Ontario as we work towards rehabilitation initiatives to support people in Armenia and Artsakh. In the spirit of giving, please consider contributing in the following ways:

1. Donate directly to the ACMAO fundraising campaign in support of rehabilitation initiatives and share our fundraising initiatives among your networks

2. Purchase medical supplies in lieu of a gift:

3. Send a letter to your hospitals, suppliers and ask for donations. Please reach out to ACMAO for a sample letter and a list of high-priority items.
4. Participate in an ACMAO working group such as the humanitarian, rehabilitation, membership and social media sub-committees.

Thank you so much for your generous contribution and continued support. We remain stronger united.
